<p>Remarks: Red: I have looked over the DTR memo to you on our language program. In general I agree with its observations and long-range goals.</p> <p>With respect to the suggested study of language requirements, [REDACTED] has already met with representatives of OTR on this and we will shortly start collecting the necessary information. Of course our requirements will be chiefly in the development of advanced reading skills and some speaking skills for overseas assignments.</p> <p>I agree that the language program could stand tightening up with a view to meeting Agency needs more directly than is now the case. This would entail changes in the Voluntary Program and the award system.</p>
